Compiled June 2026, including first-volume releases through December 2026. This listing contains all of Kodansha's "in-print series." Many additional series and volumes may be available as digital-only releases. While every attempt has been made to maintain the accuracy of this list, mistakes do happen! Updated volume counts, age ratings, full series ISBNs, and even first-chapter previews of all Kodansha titles are always available at our website, Kodansha.us.
